

Licensure in the Commonwealth of Virginia

Radiologic Technologists and graduates of radiologic technology programs in the Commonwealth of Virginia must apply for and receive a state license prior to employment. Please visit the web site listed at the bottom of this page or call the Virginia Board of Medicine at the numbers provided below for details on who is required to have this license, when it is required to be obtained and to download the most recent copy of the application.

6603 West Broad St., 5th Fl.
Richmond, VA 23230-1712
Phone: (804) 662-9908
